

P45

Design by Estel R&D

P45 is a new product line developed by Estel, that features an elegant wooden leg in oak veneer, that allows the creation of single desks or benches with square, rectangular, circular or elliptical shape, with rounded edges (Ergo worktop). Thanks to ergonomic shapes, P45 offers the maximum freedom in space planning, together with a wide range of finishes. All benches have integrated electrical connection in the undertop metallic tray, and can be supplied with top accesses, accessories bars, monitor arms, CPU holder, screen panels, cable holders, cable trays, whiteboards.
